INFORMATION

Details

3 days of aerial, circus, choreographing, and more! A chance for both current and new students to have a short intensive in aerial training at Cirque de Silk over the October half term. We will have lots of different teachers running workshops over the 3 days, the kids are sure to have lots of fun and learn many new tricks & sequences. Last day will be halloween fancy dress and the children will get to choreograph spooky sequences on the equipment to show at the end of the day.

There will be a chance for parents to come and see what new tricks they've learnt at the end of the 3 days.

Step by Step Guide

Step 5.

Select 'Someone New' and follow the details until you have completed your booking.

If you are using a desktop we would advise for you to right click on the medical waiver to bring it up into a new tab, otherwise this can relocate you from the booking page. If this happens just click 'back until you are back on the home page'. You can also click on the waiver below. You will receive a booking confirmation email once booked onto the class.
